Daddy’s Big Secret, Jordan Learns the Truth, is a new children’s book by co-authors, Jermaine (& daughter) Jordan Kristine Seamón, that chronicles the intimate exchange from a father, revealing his lifelong secret to his young daughter. one of the many secrets that parents are afraid to discuss with their children.

Atlanta, GA (November, 2022) - Jermaine & Jordan Kristine Seamón officially re-released the first book (in hardback), a heartfelt conversation, entitled *Daddy’s Big Secret, Jordan Learns the Truth*.

Fathers always want to instill wisdom and truth in our children, but how and when to pass on intimate details about personal struggles, mistakes, and secrets are often more difficult than anything. At that particular moment in time, I had a choice whether to continue hiding my biggest secret, or to divulge to my biggest fan (my daughter) that her superhero was not the perfect picture that she had painted of me. I recognized in that moment, that my secret could possibly provide insight into her life, while also giving her the hope that she may eventually need to overcome struggles and internal doubts that plague every person once they realize that they’re different. It was my obligation to share her Daddy’s Biggest Secret, and tell Jordan the truth.

“Daddy’s Big Secret, Jordan Learns the Truth,” is a heart-felt story, based on true events, that depicts the recollection of his childhood from a father, who is coming to grips with the truth that he had tried to hide from the world and sometimes himself.
