

# Meet The Big Rig Kids

[www.thebigrigkids.org](http://www.thebigrigkids.org)

**The Big Rig Kids Empower Youth, Families, and Communities.**

The Big Rig Kids (BRK) is an educational organization that utilizes literary arts, interactive workshops, business, and educational partnerships to engage and encourage youth to support their families and communities, while also providing youth with exposure, and access to resources that will help them to develop character, determine their future goals, become independent thinkers, and address difficult topics that can have detrimental effects on the entire family. The Big Rig Kids™ was founded in 2016 by Renee Brown, a retired truck driver turned children's book series author, storyteller, and writer. Renee is a native of Georgetown, SC. and now resides in Metro-Atlanta, Georgia.

# THE BIG RIG KIDS & FRIENDS' WORKSHOP TOUR

"The Big Rig Kids" children's book series promote literacy, unity, awareness, self accountability, and community outreach. Each storybook is accompanied by a workbook, which provides a simplified approach to assess children's awareness about popular themes in each book. The BRK 2024 Tour is scheduled for NC, SC, FL, DC, TN, MD, DE, NJ, PA, NY & GA, which will include The Big Rig Kids, partners, and presenters.

The workshops include The BRK stage play, storytimes, auditions for the storybook characters, and panels on bullying, health, careers, and other activities pictured below. The BRK Partners & Presenters join us in each state and bring interactive workshops that may be requested like, etiquette - hotel restaurant and tourism; and beyond the sport - safety, certifications and careers within sports, and more. Request The BRK Tour at your school, community center, library, or religious institution, and watch the delight from youth, parents, and educators as they experience the joy that comes along with effective programming that promotes unity in our communities.

We have outlined a few of our Tour events that are confirmed, in and around your servicing areas below:
